Call for Congregational Support

We need classical Lutheran colleges. By God's grace, Luther Classical College in Casper, WY, will be the first of many. We need to **promote genuine Christian culture** in our homes, communities, and churches. We need the next generation of Lutherans to be prepared to fight the good fight of faith in a country hostile to their faith, to **find their pride in being Christ's**, to raise up another generation of Lutherans with Christian goals directed at congregational life, devotional piety at home, and promotion of virtue within their communities. The college years are critical for this. So **Luther Classical College is asking for your support.**

The Board of Regents would like to welcome congregations to become supporting congregations of the college, by committing to four years of support of **\$1,000, \$2,000, or \$5,000 a year** (or any number that fits within their budget). With the help of congregational support, Luther Classical College will be able to break ground while **keeping tuition costs low for our future students.**

The money given to support Luther Classical College will be **an investment in our children's future** and the **future of the Lutheran Church**. Jesus tells us to make eternal friends for ourselves by means of unrighteous mammon (Luke 16:9). **Our unrighteous mammon can build a Lutheran college for Lutheran students.** Please join us according to your ability. God bless our college and our children for Jesus' sake!

Call for Individual Support

We have been so pleased to see the excitement and support of thousands across the country for Luther Classical College. Here is a **conservative, classical, Lutheran college for Lutherans**, a college without dependence on government money, a college that will give our children the opportunity to learn from the greatest works of our Western heritage and prepare them to live out Christian culture at home, in church, and within their community.

We are asking you to please **consider supporting the college with your donations.** Maybe you are one of the hundreds who has already donated or maybe you are one who has been waiting. Please consider monthly giving. Whether it's **\$20, \$50, \$100, or \$250 a month**, monthly contributions go a long way in securing the future of our college for the next generation. We've made the process painless. You can either fill out the envelope contained in this magazine and send it in, or you can donate by credit card on our website.
